

EVALUATION FACTOR

Award will be made to the lowest priced, technically acceptable, responsible offeror. Proposals shall include a completed solicitation.

The Government reserves the right to reject proposals that are unreasonably low or high in price.

The lowest price will be determined by multiplying the offered prices times the estimated quantities in "Prices - Continuation of SF-1449, block 23", and arriving at a grand total, including all options. Acceptability will be determined by assessing the offeror's compliance with the terms of the RFP. Responsibility will be determined by analyzing whether the apparent successful offeror complies with the requirements of FAR subpart 9.1, including:

- A. Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- B. Satisfactory record of integrity and business ethics;
 - 1. Necessary organization, experience, and skills or the ability to obtain them;
 - 2. Necessary equipment and facilities or the ability to obtain them
 - 3. Be otherwise qualified and eligible to receive an award under applicable laws and regulations.
